

**ICENES2011**  
San Francisco

15<sup>th</sup> International Conference on

# EMERGING NUCLEAR ENERGY SYSTEMS

May 15-19, 2011 - San Francisco, CA

A forum for developing & promoting common  
ground in advancing nuclear energy systems

The 15<sup>TH</sup> ICENES is being hosted by the Northern California Section of the American Nuclear Society and two ANS Technical Divisions - Fusion Energy Division and Operations & Power Division. The 2011 ICENES will focus on topics that intersect the interests of researchers and leaders in fusion and fission energy systems and applications.

## CONFERENCE TOPICS

- Energy Policy & Energy Demand
- International Developments
- Resource Utilization & Sustainability
- Fusion Systems & Applications
- Fission Systems & Applications
- Fuel Cycles
- Improving Performance
- Safety & Environment
- Economics & Operations
- Education & Workforce Development

## REGISTRATION

Online registration available on  
**September 15, 2010**

## ABSTRACT SUBMISSION

Abstract submission deadline is  
**November 15, 2010**
